FROM THE PRESIDENT...

Fall 2009/Winter 2010

Our Page Alumni and Friends Association is in its fourth year. What have we accomplished so far?

- We have supported the Athletic Booster Club's Athletics Facilities Master Plan by being instrumental in getting a bathroom/concessions building built on the athletic field.
- We have given four student scholarships annually.
- We have helped with the Page-Grimsley Golf tournament.
- We have given teacher scholarships.
- We are responsible for the ongoing renewal of the Alma Pinnix Hill.
- We gave the auditorium lobby a facelift and some seating.
- We have sent out two newsletters yearly.
- We have worked to help folks get started on their reunion planning.

While we are pleased with all of this and what members' funds have helped us do, the number of people actually supporting us is dismally low. We mail out about 6800 newsletters twice a year, but have had an average of only 320 members per year. This is 4.7% of folks who receive our mailings. This year to date, we have 276. Since our fiscal year is July 1-June 30, we have a few months to improve this.

The minimum membership is \$25. Don't think for one minute that this is too little to mean anything, that this level of giving is insignificant, and that you should wait until you can give more. Every membership we receive – at ANY level – shows us that you believe in what we are doing to support our Mission Statement.....

To connect with the past, strengthen the present, and build for the future of Page High School through support of and participation in areas of academic, cultural, athletic, and social life

In line with this mission statement, one of our goals is to reach as many former Pirates and their families as possible. One of the ways we do this is by publishing and mailing The PAGE biannually. If you have no interest in the Association and no plans to support us with your membership, please save us some money by letting me know, and I will remove your name from the distribution list. If you do believe in our mission, please send in your membership today.

Without the support of alumni, present parents, past parents, and friends, the Page Alumni and Friends Association will not continue into the future. We have only begun to be what we can grow into being, but we need your help to do it! Go, Pirates!

ALUMNI AND FRIENDS ASSOCIATION MEETINGS

REGULAR MEETING – Monday, March 15, 5:30-6:30 PM, Page Media Center.....Come spend an hour as we share ideas for our future. Help us determine how we can better serve Page, the Page alumni, and the Page community. ALL ARE INVITED!!!

ANNUAL MEETING – Monday, May 24, 5:30 PM, Page Auditorium Lobby and Sherwood.....Come to the Page Auditorium Lobby to meet the Page Alumni and Friends Semifinalists and have a short "State of the Association" business meeting. All are then invited to cross the street to Sherwood where we will share conversation, snacks, and adult beverages in the upstairs meeting room. ALL ARE INVITED!!!

FROM THE PRINCIPAL

As we enter the midpoint of the year, it seems to be a time of reflection on both where we are and where we need to go. As our school numbers have grown to 1854, we are now the second largest school in Guilford County. Our successes also grow as we continue to excel in so many areas.

Following the 08-09 year, two of our athletic teams (men's tennis and ladies soccer) posted the highest Grade Point Average in the state for their particular sport. This spring we will be administering 115 International Baccalaureate tests to 78 students and 838 Advanced Placement tests to 440 students. The number of students achieving Honor Status topped 775 students!

This 52-year-old building is simply bricks and steel and paint and plaster – a mere shell. But when the bell rings we transform from a building into a school where our students come in order to learn and grow in their understanding of themselves and the world around them. As part of a sound education we hold the obligation to also prepare them to understand and meet the challenges of life and to become better human beings because of those challenges.

One way we emphasize this is through community service activities. Organizations in our school support many worthwhile projects. Some of these include:

- A canned food drive at Thanksgiving
- Donations to Urban Ministries
- Annual blood drives
- Relay for Life
- Pennies for Pasta supporting the Leukemia Foundation
- Operation SMILE
- Raising money for the victims in Haiti
- Coin drive supporting families at the Christmas holiday

In addition, many clubs and most athletic teams support service projects at the school and in the community. Recent undertakings were work on the Alma Pinnix Hill (by our boys soccer and cheerleading teams) and service hours to the Salvation Army (by our baseball team). I

continue to be amazed at both the giving spirit and sensitivity to those in need displayed by our students.

We welcome all Alumni and Friends to come to Page, talk with our students, and see firsthand the outstanding young people that walk these halls. We thank you for continuing to support the school through your time and generous gifts. We will be Pirates Forever!

GRADUATION PROJECT: OUR SENIORS AT THEIR BEST

On February 4th, the first round of seniors presented Graduation Projects to panels of community judges. After working on these projects for two years, this was the culminating event.

Last year, these students chose topics that they were interested in, felt passionate about, or wanted to learn about then wrote research papers on their topics. This year, each senior chose a mentor who was "expert" in his field of interest. Mentor and student worked together a minimum of 15 hours, planning or creating the product. On February 4th, they completed their projects by giving speeches that explained a physical object they had made, a job-shadowing experience, a performance-based product, or a service-oriented event. With 25% of their senior English grade on the line, Page seniors felt a tremendous amount of pressure to succeed. And succeed they did!

Community service projects included a fund-raiser for Juvenile Diabetes; helping build a Habitat for Humanity house; cleaning up streams near Moses Cone Hospital and Page; working with the Park Service; working with Urban Ministry; and creating a web site for sports teams. Handcrafted products included baseball bats, fountain pens, dresses, and

furniture. Performance-based products included presentations from those who had taken lessons on guitar, drum, piano, voice, martial arts, yoga, male ballet, and salsa dancing.

Job shadowing opportunities gave students a chance to shadow police officers, veterinarians, health care providers, EMS ambulance drivers, local chefs, and attorneys. Several products spotlighted special areas of interest such as nail design, radio broadcasting, cake decorating, architecture, interior design, and landscape design. Other seniors built hard-drives, composed music, learned to scuba dive, and learned CPR. Some of the mentors worked with students to write a book, design a comic book, or create a fashion magazine.

Judges were very impressed with the preparation and presentations the seniors made. Seniors treated the experience as if they were preparing for a job interview, including professional dress. The whole evening was a tremendous success thanks to the seniors' hard work and dedication. They proved to be Page High School at its best!

FORMER PAGE ATHLETE INDUCTED INTO THE NC TENNIS HALL OF FAME

Susie Black Wall attended Page 1972-75 when Page was just a three-year high school and played tennis for Page her junior and senior years. During those two years, she was the #1 singles player, going undefeated in State 4A tournaments and winning the NC Singles Championship both years. She led the Pirates to a 1975 State championship.

Susie went on to play varsity tennis at UNC (Go Heels!) where she held the #1 Singles position her sophomore and junior years. After college, she continued playing in many tournaments around the country, then moved into senior tournaments. In North Carolina she has 19 state titles and 14 runner-up titles in singles, doubles, and mixed doubles. In 1999 she was a member of Southern Intersectional Women's 35 National Championship Team that went undefeated in Naples, Florida.

While at Page, Susie made contributions in many other areas of Page life. She was a cheerleader, sophomore class VP, a Civinette, Morehead Scholarship nominee, student council member, Most Athletic, and was an Outstanding Senior.

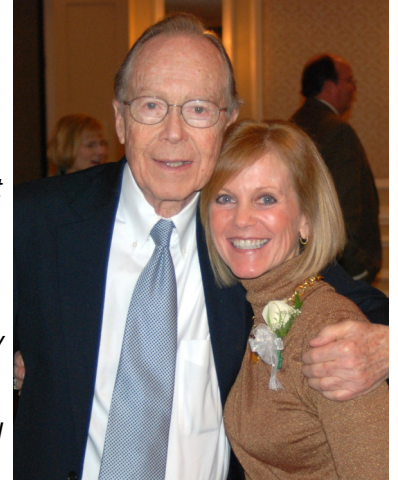

Susie Wall donating her UNC sweater to the Hall of Fame for their display case.

She is married to Ronnie K. Wall, mayor of Burlington, and has two daughters, Ann Love (22) and Maggie Love (19). Her brother Fred Black is a '79 Page grad who has children that are students at Page, senior Will Black and sophomore Kathryn Black.

From Susie.....

I have the best memories of Page because of the leadership during that time. Robert Clendenin was the principal, and Mr. Crotts and Mr. Hayes were assistants. They ruled with iron hands, and it showed throughout the school in everything. All of the students and teachers respected them, and things ran very smoothly. They were always available if you needed them, and everyone felt comfortable and important as students.

Susie with her father Bill Black

Also, our boys' football and basketball teams were excellent in those years under the leadership of Marion Kirby and Mac Morris. It always meant so much to me when Mr. Morris acknowledged my tennis accomplishments!

In January of 2009, Susie Wall Black was inducted into the North Carolina Tennis Hall of Fame. Congratulations, Susie!

PAGE TECHNOLOGY STUDENTS BRING HOME THE BRONZE

Tate Hancock and Thomas King, Page Class of 2009, placed second for SciVis at the National Technology Student Association Event. This event was held in Denver, Colorado, in early July and was attended by students from all over the world. Tate and Thomas had placed first in the North Carolina competition with their animation of Gel Electrophoresis, a three-minute original animation of the nerve impulse using 3D StudioMax and Adobe Premiere. Students and staff at Page High School helped raise money to send the two boys to the national competition, and parent Pat King paid her own way to chaperone the boys so they could attend.

SciVis is a class that is offered in almost every high school in Guilford County and teaches students to visualize scientific concepts using 2D and 3D software. Phyllis Jones teaches SciVis at Page and is also one of the sponsors of the Page Technology Student Association.

Just weeks after the state competition, the other Page T.S.A. sponsor, revered teacher Jeremiah Wills, died tragically in a motorcycle accident. Chelsea Davis created a Dragster car that the two boys raced in Mr. Will's name at the national competition.

Congratulations to these two young men on a job well done at Page; and the best to the both of them as they continue their studies, Tate Hancock at N.C. State and Thomas King at GTCC!

PAGE, THE 2009 PAGE-GRIMSLEY ALUMNI GOLF TOURNAMENT CHAMPIONS

Page captured its first championship at the Fourth Annual Page/Grimsley Rivalry Reunion Golf Tournament October 9, 2009, the day of the Page-Grimsley football game. The tournament was sponsored by the Greensboro Grasshoppers and Neese's Sausage and drew a capacity field of 288 golfers on the Players and Champions courses at Bryan Park. Page's convincing win was led by alumnus Donald Moore ('74) who recorded the low amateur round of 68.

The Pagegrimsleygolf.com web site sums up the recipe for success with the uniqueness of the tournament:

The relationship between these two schools is strong, although competitive, and the tournament gives us ALL the opportunity to continue this strong bond while students from both schools reap the benefits. We are all very fortunate to be exposed to these schools and can help the schools to only become better. The Page/Grimsley Golf Tournament was created to benefit these two wonderful schools and their pursuit to provide better opportunities for students.

Neese's Sausage student-athlete scholarships - \$1,000 each - recognize two students who exemplify excellence in the classroom and an unswerving drive on the field of play. Page's Alumni and Friends Association Board member Stephanie Keaney led the Neese's Scholarship nomination and selection

process this year. The selection process was very difficult with a record number of deserving students applying for the honor. The scholarship winners from Page were Sarah Lang and Jonathan Spain. Congratulations, Sarah and Jonathan!

The Page/Grimsley Golf Board members would like to commend Page's concerted efforts with attracting hole sponsorships, corporate sponsorships, and the record number of golfers to this year's tournament. A special thanks to Charles Wright, Susan Veazey, Susan Tysinger, Karen and Charlie Roer, Suzanne and Chuck Seeger, Dean Little, and many more for their commitment of time and resources.

Through the title sponsorship from the Greensboro Grasshoppers, Neese's Sausage, and other local companies, the proceeds of this year's tournament exceeded \$28,000. All money raised is equally distributed to each school's athletic department. The proceeds at Page High School support the Athletic Facilities Master Plan.

Please go to PageGrimsleygolf.com to find pictures of participants and a listing of corporate sponsors. We would like to hear from anyone with suggestions or comments on ways to serve the rich athletic traditions of the two premier high schools in Greensboro.

Please make the annual tournament a part of your Page-Grimsley Football Weekend! Mark your calendar for October 8, 2010!

Johnny Hodges

THE SCHOLARSHIP COMMITTEE

The Page Alumni and Friends Scholarship Committee did the work for the Page-Grimsley Golf Neese's Scholarship selections. They are now busy planning for the scholarships our Association will be awarding at the end of May. This year five \$750 scholarships will be given to deserving students. Come to the May 24 annual meeting to meet the semifinalists!

PAGE-GRIMSLEY GOLF TOURNAMENT NEESE'S SCHOLARSHIP WINNERS

In October of 2009, the fourth annual Page-Grimsley Golf tournament took place at Bryan Park. This tournament is not only a day of good, old-fashioned athletic rivalry at its best, but the revenues earned benefit both schools. Neese's Country Sausage is a lead sponsor of the tournament, and each year they give two scholarships to outstanding athletes at each of the high schools.

This year's scholarship committee was comprised of four members: Buz Sneed, father of Laurie ('92) and Jason Sneed ('93); Kara Maple Ruffin ('91); Skotty Wannamaker ('97); and Stephanie Dingman Keaney ('93). We were very impressed with all of the candidates and enjoyed being able to participate in the process.

This year's pool of Page applicants was stronger than ever. A broad range of well-qualified athletes applied, and after reading all of the applications and conducting interviews with the top eight candidates, the scholarship committee selected two outstanding student athletes. This year's Page High School winners were Sarah Lang and Jonathan Spain.

Sarah is an accomplished athlete who has participated in many sports while at Page. She has been on the soccer team, cross country team, basketball team, and golf team. In the spring of 2009, Sarah was honored as the "Junior Female Athlete of the Year." While participating in all of these sports, she has been able to maintain excellent grades and is planning to pursue a degree in business next year.

In the words of Coach Deborah Jones,

"Watching into a young lady with true admiration for team sports, always putting the "team" first and

individual Sarah mature needs second, is amazing to see in today's society."

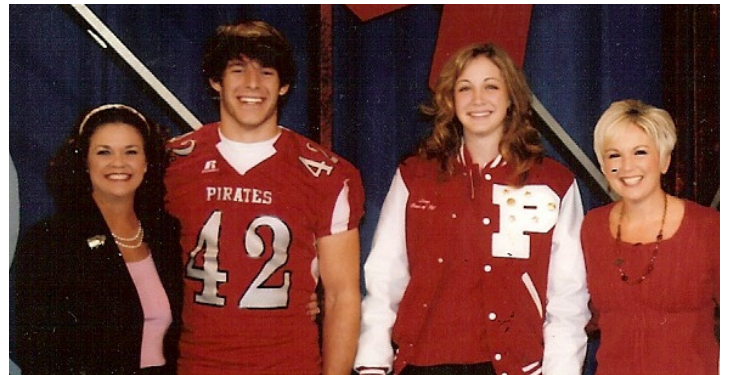

Jonathan Spain is best known at Page as a leader on the football team. But football is not his only sport. Jonathan has also been an active player on the golf and basketball teams. Basketball Coach Robert Kent said,

"Many players cannot make the transition from being the best to being a support player. Jonathan's attitude allows him to do that, and in the process he makes whatever team he is on better."

Our committee was impressed with Jonathan's willingness to do whatever was in the best interest of the team, putting those needs above his own. He is an impressive young man and hopes to play football next year in college.

We thank Barry Dooley, faithful senior counselor at Page, for all of the support and guidance he gave us in our selection process. (By the way, his son Jacob was a Grimsley Neese's Scholarship winner!)

ALMA PINNIX HILL REPLANTING CONTINUES

While tending to the weeding around and watering of the new plantings on the Alma Pinnix Road hillside last spring, Charles Wright ventured off to the overgrown side of the hill (on Cone Boulevard) and began diligently cutting down saplings and pulling ivy. After several trips to the hill – and tolerating mosquitoes, bees, a garter snake or two, and high temperatures – Charles was able to tame the out-of-control vegetation enough to make us believers that Ms. Pinnix's beloved hillside could be completely reclaimed.

Since we didn't have a landscape plan for the Cone Boulevard section of the hill, we asked urban Horticulturist Extraordinaire (and local celebrity to us gardeners), Page parent Karen Neill, to give us some ideas. She did a lot more than make a few recommendations. Exclaiming that she's no landscape designer, Karen created a new layout. Her design perfectly complemented the adjoining hillside that we had already planted in the fall of 2008.

With only a few weeks before planting season, and a hill of ivy that had to be pulled before we could plant, we became desperate for more manpower. As we were about to put the project off for another year, along came Susan

Veazey offering the help of the soon-to-be State Champion Soccer Team. In mid-October, those guys and fellow JV team members used their hands for a change to move our project forward. In just a few hours, Coaches Jaziri and Ettefagh and their players had cleared out enough ivy for us to make plans to start planting. Susan Tysinger cleared much of the debris from the woods at the top of the hill and single-handedly controlled the yellow jacket population, getting stung two or three times.

Not to be outdone by the best high school soccer team in the state, the girls JV cheerleaders asked to help plant the hill. Coach Jennifer Hord and parent Virginia Summerell got the girls to join us on Halloween, before the festivities later that evening. With assistance from such peerless alums as Carol Long, Al Garvey, Charles Wright, Will Maddox, Dean Little, Daniel Craft and future alum Sarah Garvey, we were able to get the hill planted this past Fall.

Considering the hill, on the outskirts of campus, often provides visitors with a first impression of the school, one has to believe all the hard work will leave guests with a favorable one. Thanks to the Alumni and Friends Association, in conjunction with the PTSA, for providing the funding necessary for all the plants and supplies.

Karl Anderson ('78)

While we are working to restore beauty to the Alma Pinnix Hill, there are other areas of the Page campus that could use some beautification and TLC. If you live in the area, we invite you to take a walk around the campus and help us identify and make plans for these areas.

George Allen Neal ('66) died October 13, 2009. He was a Pirate to the end!

REMEMBERING COACH DONALD STOWE

Coach Donald Stowe was a veteran of the U.S. Coast Guard, having served during World War II. He graduated from Appalachian State when it was App State Teachers College and earned a Master's in Education from UNC-G. He was hired as a coach and teacher at Page the first year the school opened in 1958 and was an assistant football coach and

head baseball coach for some years. He was at Page 12 years, his last four as an assistant principal. He worked in our school system for 31 years, then taught at GTCC for 12 more after that.

Coach Stowe was a wonderful person, a really good coach, and a mentor to a bunch of young folks over a long period of time. I first met him the first day of football "two-a

-days" in mid August 1960, before I had ever set foot in the school. Back then Page was a three-year high school. When I walked into the locker room, I am sure he could tell some of us newcomers were a bit intimidated. He spent some time talking to each one of us individually – not really about football but about our various backgrounds, school, and so forth – just trying to put us at ease. He was a very calm guy, could show emotion, but rarely raised his voice. If he did, we darn well knew to listen!

He stayed active in youth baseball in Greensboro through the end of his life. Since I have also stayed active in youth baseball and help with the Page baseball team, I was fortunate enough to be able to see him fairly frequently over the years, especially during the spring and summer when baseball is in high gear. It's also great to see his son, Donnie, Jr. ('77), at Page from time to time doing things like selling tickets at various varsity and junior varsity events.

To be able to stay connected for 50 years to someone who meant so much to me in my own youth is a very special gift. Coach Stowe died in November 2009. We'll miss you, Coach!

Harry Clendenin ('63)

REMEMBERING "COACH" BOB ELLIS

I was saddened to learn of the passing of my choir director, "Coach" Bob Ellis. We always called him "Coach," a title he especially loved because of his over-the-top love and support of Page athletics. He probably even drove the athletic coaches crazy because of his intensity for sports!

Bob Ellis was a high-energy, short sparkplug of a man. "Coach" brought the choir to a high level of excellence with his demanding and inspirational style. Not only did the choir perform at the Montreal World's Fair in 1967, but also at Daytona Beach the year before and the San Antonio World's Fair the following year. During the trip to Montreal, we stopped in Washington, DC, where we gave an impromptu performance on the steps of the Lincoln Memorial. On the trip home, we performed

at a Canadian church where one of his colleagues was choir director. What a fun, educational trip!

Bob Ellis directed or co-directed three musicals that I participated in: "Ahmal and the Night Visitors," "Bye, Bye, Birdie," and "The Boyfriend." As a senior, I was honored to receive the Robert H. Ellis Choral Award. Every time I sing, I remember a great teacher and musician.

Thanks, Coach!

CLASS REUNIONS

CLASS OF '69

Our 40th reunion was attended by 100+ classmates and 50+ guests. Most are still in the Greensboro and/or North Carolina area, and many are in Virginia, Tennessee, South Carolina, and Georgia. Once again, John Vassiliou traveled farther than any other graduate, all the way from Southern California!

Many people started the reunion weekend with dinner and/or the Page-Grimsley game and then attended the get-together at the Elk's Club on Friday night. The reunion continued with a Meet-and-Greet at the Page Auditorium Lobby and the Reunion Event at Sherwood Swim & Racquet Club on Saturday night. Sunday morning some of us attended a worship service at the Hannah Brown Finch Memorial Chapel at Greensboro College hosted by Eddie Purgason (thank you Eddie) and then went to lunch to finish off the weekend. In addition, there were several small-group lunches, dinners, get-togethers, etc. All in all, many classmates did their best to maximize their time with friends during the weekend.

A big thank you for all of their help in the festivities goes to the following: Rick Apple; Bob and Anne Wilkinson Bishop; Charlene Pell; Byron and Sharon Phillips Freeland; Louise Denny Britt; Robin Zalkin Brown; Libby Henson Conrad; David Sharpe; Rita Stroud Salman; Peggy Reilly Smith; Chuck and Carol Marshall Yancey; Frank and Janet Worrell; Debbie Dean Moore ('70); John Wiley; Glenn Shields; Chris Jones; Eleanore Grant Lynn; Bobby Costello; Elaine Grantham March; and Marilyn Woods.

The best part of the reunion was the connections and reconnections that have been made. It is clear that many of these will continue for years to come. One example is the marriage of classmates Janet Hermanson and Frank Worrell on November 29. Best wishes for a long and happy life!!!

Let's do it again, how about 2014 or earlier?

Christine Calice ('69)

Janet and Frank tied the knot a few weeks after the reunion!

Class of '79

A grand time was had by all that attended the 30th reunion of the Page High School Class of 1979. Swinging tunes, great food and beverages, and, of course, lots and lots of classmates with lots and lots of stories and memories. Good thing these events come every 10 years!

The October 9th and 10th weekend celebration started on Friday night with THE high school rivalry football game between the Pirates and the Whirlies. About 30 classmates showed up for the game, yearbooks in hand, just to make sure that all the 79ers were recognized. Following the victory by the Page Pirates, everyone headed over to The Blind Tiger for some good 'ole rock and roll by our

very own "Other Mothers" featuring Dan Cowett, Randal McCorquodale, and Stephen King. They played many of our favorites from our high school days, stirring up many memories for all of us.

The main attraction was the reunion event held on Saturday night at the Elks Club. Thanks to Amy Purgason Chamblee

and Amy Wheeler and their band of merry volunteers, the club was transformed into a swinging party venue. More than 200 classmates came together to renew old friendships, share fond memories and catch up on the current events of those present. A surprise visit from Mac Morris reminded us all of our victory back in 1979 as the 4A State Basketball Champions. In many ways, it felt as though it was just yesterday when we were back at Page High School, crowding AC intersection before the first bell and catching up on all the school gossip.

Tol Broome and Jeff Gardner did a great job recognizing many of the folks who were present, including those wonderful superlatives that you have at every reunion. We had a moment of silence for the many classmates who were no longer with us and then heard from our student government president, Chris Miller. We ended the "formal" part of the evening by taking a class photo. People stayed well into the evening, thoroughly enjoying the company of friends, old and new.

It's hard to put into words how much fun this reunion was to so many. I encourage everyone to visit our Facebook page (Page High School Class of 1979) to see more than 100 photos that have been posted by classmates whose smiles and hugs clearly communicate how much the event meant to everyone who attended. We are also maintaining our web site (www.page79reunion) where classmates can still

register their profile and communicate with other classmates. We hope to get all the pictures published on the website in the near future.

A special "shout out" to all the many volunteers who worked so hard in making this reunion a reality – your help and participation are greatly appreciated. Go Pirates!

Amy Gentry Parker ('79)

Our 25th reunion weekend was a whirlwind of laughter and more great memories. If you were not able to attend, make plans to be at our 30th! Classmates traveled from Hawaii, California, Texas, Austria, Utah, and all over the mid-Atlantic for a weekend full of celebrating. Jennifer Schlossher Stanley and husband Boyd greeted everyone at the Page-Grimsley football game. Page's win was toasted at Natty Greene's post-game gathering.

Tracy Eisenman Curtis recruited Morris, Al Powell, and Sam Saturday as we met at Page for grounds. The infamous A-C additions to the buildings were of

Class of '99

The Class of 1999 celebrated its Ten-Year High School Reunion on October 10, 2009, at Studio B in downtown Greensboro. We had a great turnout of 140 people, 90 of which were Page graduates. Alumni traveled from as far away as Seattle, New York, and Minnesota to see old classmates. It was wonderful to catch up with everyone and laugh about old times.

The Class of 1999 also raised and donated \$500 to the Rachel Dawn Llewellyn Memorial Nursing Scholarship Fund at UNCG to honor our former classmate, Rachel Llewellyn.

We are looking forward to our 20th reunion in 2019! To stay up-to-date with the Class of '99, please send updated contact information to pageclassof1999@gmail.com.

UPCOMING CLASS REUNIONS

THE Class of 1961 is looking forward to its 50TH reunion in the fall of 2011. Interest and willingness to work on this reunion has been expressed, but we need a few more folks. Please email me at sgtysinger@triad.rr.com and I can put 1961 folks in contact with each other. Also, if there are any 1959 and 1960 folks who will join the group, these three classes can be combined. The 1961 Class has shown such great support for our Association, so there are surely lots of you who are eager to gather and share memories of the first graduating class to attend all three years at Page!

The Class of 1970 will meet for its 40th reunion on the weekend of the Page/Grimsley game, October 8-9, 2010. There will be a casual gathering on Friday night during and after the game at Graffiti's Bistro on Pisgah Church Rd. The main event on Saturday is in the process of being scheduled. Nancy Elkins Abrams, Debbi Dean Moore, and Mabel Livingston Winslow are working on the details and welcome your input. Look for us on Facebook!

The Class of 1972 is building for a 40th reunion in 2012. Please send email addresses, other contact information, and class news to this email address PageClassof72@gmail.com.

The Class of 1980 is planning its reunion for Saturday, October 9, 2010, at the Marriott Downtown. Contact Lisa Strickland Kinsey at lbs4545@gmail.com or 336-545-1230 or 336-288-5200. The web site is www.pageclass80.com.

The Class of 1985 is gathering information for its 25th reunion in 2010. Contact Stephen Scott at ss.stephenscott@yahoo.com or 704-779-6194 to participate in the reunion or in the planning of it.

The Class of 1990 is planning a 20th class reunion for this October 2010! We need your help in locating class members and in the planning of the actual reunion. Please join the Page High Class of 1990 Reunion Page on Facebook and email your personal information to Alicia Patterson Cone at alcone6@yahoo.com or call (336) 707-1524. Thanks from the reunion committee – Tene McCoy Cummings, Ellen Clifford Quesnel, and Alicia Patterson Cone – as we look forward to reconnecting with our fellow Pirate Alumni!

The Class of 2000 has set its reunion for the Page-Grimsley weekend, Saturday, October 9, and the contact information is Page2000Reunion@gmail.com. Let us hear from you so we can keep you updated as plans unfold or if you'd like to help in the planning!

SOCCER STATE CHAMPIONS

We knew that our run to the conference championship, barring some mishaps, would be an easy one. The two teams that stood in our way were Grimsley and Western Guilford. We defeated Grimsley in the first round and Western Guilford turned out to be no match for our team. We were generally stronger than our regular season competition, but we also knew that we could not be complacent. We had to seek stronger competition so as not to experience any surprises in the play-offs.

We scheduled a game against Greensboro Day School who was undefeated in their conference. They came to play us at Page, and we tied them one to one. The crowd was huge, and each team went away satisfied with the outcome. We videotaped the game then talked about the adjustments that needed to be made in order to be competitive at the next level. The kids never looked back. From then on we played with poise, our front line continued to score, and – more importantly – our defense closed the door on our opponents.

During the play-off run, our team scored a total of 21 goals and our defense allowed only one. This against the likes of Meyers Park and Green Hope. I cannot say enough about the support that we have received from our school, our parents, and our community. Our band gave us a musical send-off. The school and the parents rented us a coach bus for the trip to Raleigh. The student body, the administrators, the teachers, the parents, former parents, and former players who came to support us were phenomenal.

The kids played their hearts out for their fans. They were up 2-0 at the half. The mood in the locker room was joyous but guarded. They had another half to play and there would be plenty of time to celebrate after the game. When they took the field for the second half, they were relentless in their determination not to allow any hope to creep into the minds of their opponents. And to the chants of “hopeless Hopeless” by our fans, they went on to score two more goals and to put the game out of reach for good.

The game was over. Page had defeated Cary's Green Hope in Cary. The players ran to the stands to bathe in the joy of their fans. I'm grateful for that vision and for that moment because it will always remind me that in order to be joyous, we must give joy to others.

Mohamed Jaziri, Men's Soccer Coach

Principal Marilyn Foley leads the celebration at the state championship game.

PTA REFLECTIONS PROGRAM

The Page PTSA participated in the Guilford County PTA Reflections Program for the first time in many years. The Reflections Program is designed to enhance quality arts education by encouraging students to create works of art in the areas of dance choreography, film production, literature, musical composition, photography, and the visual arts.

Junior Toby K. Ng's musical composition took first place and will advance to the State level. A second place in Visual Arts went to Paige Carter; and Gabrielle Heard, Whitney Vass, and Briana Peoples received Honorable Mention in their areas. We congratulate all that entered and wish Toby the best of luck as he goes to the next level of competition!

Courtenay Vass, PTSA Reflections Chair

2010 SUBSTANCE-FREE GRADUATION CELEBRATION

Monday, June 7, 2010, the annual substance-free graduation celebration put on by the Page parents will be held immediately following the graduation ceremony. This tradition has become a great way for the students to celebrate their four years at Page High School. Corporate and personal donations are welcome! Entertainment sponsorships are available. For more information, contact Wendy Hook at 288-3719.

PIRATE FOR LIFE!

SAVE THE DATE — ABC FUNDRAISER

Join the Athletic Booster Club for a great party at Sherwood Swim and Racquet Club Saturday, May 8, 2010. There will be food, drink, live auction, door prizes, and dancing to the music of *Second Look*, a band featuring former Page ABC president Dennis Franks. All proceeds will go to the Page Athletics Facilities Plan.

To donate a live auction item, cash for items, door prizes, or your time, or to inquire about purchase of tickets, please contact Lynn Buchanan at 638-5150 or Suzanne Seeger at 282-3919.

The **Page Playmakers**, under the leadership of Michael Parrish, will present **Seussical the Musical** at 7:00 PM the evenings of April 28, 29, and 30, with a 3:00 PM matinee on Saturday, May 1. It will involve 100+ students and the teachers from the fine arts and performing arts departments. As a "main stage" musical, casting is open to all Page students.
